Introduction

Il Bottaccio is one of London's most prestigious and exclusive event venues, ideally located near Hyde Park Corner and Park Lane with stunning views of Buckingham Palace Gardens.

For Christmas 2010, Il Bottaccio will be celebrating the festive season in style and will be hosting a spectacular Dr Zhivago themed evening which promises to be a Christmas event to remember.

A sparkling white Winterland awaits you...

Dr Zhivago Theme

Our elegant and beautiful venue will be themed as a Dr Zhivago Themed Evening – from the stunning building facade and entranceway, lit with striking lighting effects, to the beautiful and elegant decoration and furnishings within.

Guests will begin the fantastic evening enjoying a Christmas drinks reception in our opulent and festively decorated Club Gallery before ascending the grand marble staircase to the magnificent Grand Ballroom for dinner and dancing.

The Grand Ballroom, with its beautiful high ceilings and white walls, will provide a beautiful white winter setting, and floor-to-ceiling balcony windows will be dressed with white organza draping and sparkling icicles. Dinner tables will be dressed in fine white linen, snowy willow themed table centrepieces, crystal candelabras and glowing candles.

Dramatic and beautiful blue lighting hues and soft candlelight throughout will further enhance this amazing Dr Zhivago theme.

Dining

Il Bottaccio is extremely proud of its high standards and reputation for first class food, wine and service.

Guests will be treated to exquisite and mouth-watering gourmet delights throughout the course of the evening produced by Il Bottaccio's in-house highly trained chefs.

We are able to provide high quality catering for up to 200 guests for a seated dinner and up to 500 for a standing reception and whether you choose catering for a seated or standing reception, our exceptional and innovative menus will more than satisfy your guests' catering expectations.

Dancing & Entertainment

Dancing

The evening will continue with dancing after dinner on a black and white dance floor with high tech disco lighting and a first rate DJ mixing up a superb array of music from behind an elegantly decorated booth.
